

Regional Conservation Partnership Program, which will help encourage farmers to work together to protect water quality, water supplies or wildlife habitat at watershed or regional scales. Overall, however, conservation language could and should have gone much further to provide adequate funding while optimizing results and making it easier for farmers to apply their conservation knowledge to their land.

On balance this bill represents the minimum effort that enabled its passage. It is fiscally irresponsible and continues the alarming trend of subsidizing large agribusiness while cutting benefits for our most vulnerable Americans. We can and should do better, and I will continue working to reform our federal agricultural policies to that end.

NO TAXPAYER FUNDING FOR  
ABORTION AND ABORTION IN-  
SURANCE FULL DISCLOSURE  
ACT OF 2014

SPEECH OF

**HON. YVETTE D. CLARKE**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 28, 2014*

Ms. CLARKE of New York. Madam Speaker, today I rise in opposition to H.R. 7, a Republican bill intended only to exacerbate divisions between Americans and to undermine the rights of American women to access health care.

H.R. 7 would effectively deny women access to health insurance coverage that includes abortion, by taking away important tax benefits such as certain tax deductions and premium tax credits used to help pay for the cost of health insurance coverage. This bill is so misguided and invasive that it does not even allow for coverage when a woman's health is in danger.

Despite the Republicans' "pro-business" stance, this bill would also limit small businesses' ability to claim existing health care deductions or claim the Small Business Health Tax Credit for those businesses that offer their employees comprehensive health insurance that includes abortion.

Limiting access to these tax deductions and tax credits not only adversely impacts the employees and the small businesses, but also harms the American economy. After all, both Democrats and Republicans agree that small businesses are the engines of our economy.

Quite simply, H.R. 7 intrudes upon the relationship between a woman and her doctor by limiting a woman's ability to access health insurance coverage that includes coverage of abortion and in doing threatens a woman's health. The notion that women are incapable of rational decision regarding their own bodies and their own health does not have any place in the Twenty-First Century.

So far this year, we have not even had an opportunity to vote on the extension of unemployment benefits, nor have we had the opportunity to vote on any meaningful jobs bill. Instead, I am ashamed to say that we waste our time on bills such as H.R. 7 that politicizes women's access to health care and takes our focus off what should be our primary goal—creating jobs! Jobs! Jobs!

I ask my colleagues to oppose this bill.

A RECORD OF SERVICE

**HON. SCOTT H. PETERS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 3, 2014*

Mr. PETERS of California. Mr. Speaker, I rise today to recognize and applaud Toni Atkins on her unanimous selection to be the next Speaker of the California State Assembly. Toni's career of public service in California is one marked by achievement, perseverance, and an ability to listen to all points of view.

From Toni's earliest days in San Diego, it was apparent that she was devoted to the public good. She worked as the Director of Client Services for the Womancare Health Center. This position reflected Toni's constant advocacy for women's health, including women's reproductive choices. These are issues that she has advanced in both her work as an elected official, and privately through her "Toni Atkins Lesbian Health Fund."

I first started working with Toni in 2000 when we were elected to San Diego's City Council. I remember Toni as being a consensus builder, a member who was willing to bring all interested parties to the table. Toni looks past partisan labels to come up with common sense solutions to some of the most challenging issues facing San Diego.

Toni had many great accomplishments while serving in the office; she helped pass a living wage ordinance that boosted pay for thousands of hard working San Diegans and also passed a bill that expanded the affordable housing in the city. It was Toni's hard work and fair-mindedness as a legislator which propelled her to the position of mayor pro-tem of San Diego, in which she became the first openly lesbian mayor of the city. Serving in this position Toni served as an inspiration to LGBT people, their families and allies everywhere.

Toni's commitment was again called to serve her state; she was elected in 2010 to the California State Assembly, where she fights for important issues such as ending homelessness, and veterans issues. Once again Toni's vision and judgment has been recognized by her colleagues and in a unanimous selection, Toni was chosen to lead the California State Assembly as its Speaker.

Mr. Speaker, I am proud to recognize my friend Toni Atkins for her record of achievement, and her continued commitment to serving the citizens of California. I urge my colleagues to join me in honoring Toni as she goes on to lead California's State Assembly.

LOUISE DREUTH'S RETIREMENT  
FROM GOVERNMENT SERVICE

**HON. MIKE ROGERS**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 3, 2014*

Mr. ROGERS of Michigan. Mr. Speaker, I rise today to honor the accomplishments of Ms. Louise Dreuth. Louise is retiring from the federal government this month after more than 26 years of public service in the national security arena. She currently works in the Department of Defense as a senior congressional analyst in the Office of the Under Secretary of

Defense for Intelligence's Congressional Activities office.

Although Louise originally hails from New York, she graduated from high school and college in Montgomery County, Maryland, and has been a longtime resident of Bethesda. Since she entered the work force, Louise has had a varied and distinguished career, having worked in both the legislative branch and executive branch at different times. Notably, Louise began her government service as a Professional Staff Member on The House Permanent Select Committee on Intelligence when the committee was first established in 1977. No doubt those were interesting and challenging times, as the new committee worked to establish ongoing oversight of the Intelligence Community. As a Professional Staff Member on the HPSCI, Louise played a significant role helping the committee develop its authorization bills, performing research, and contributing to the critical mission of thorough oversight.

Louise left the Committee in 1986 to work in the private sector for several years, but returned to the federal government in 1992 and joined the Missile Defense Agency (MDA), where she worked for 13 years in a number of increasingly challenging legislative and public affairs positions. Her work at MDA prepared her well to become the Chief of Communications for the Counterintelligence Field Activity (CIFA) when it was established in 2005. Shortly after CIFA was merged under the Defense Intelligence Agency in 2008, Louise joined the Office of the Under Secretary of Defense for Intelligence (OUSDI), where she is now. She has handled a busy, high-profile portfolio of counterintelligence and security legislative issues in OUSDI's Congressional Activities office for the past five years.

Most recently, Louise has led numerous congressional engagements related to the latest unauthorized disclosures of classified material. As so often was true during her career, Louise's role has been to advise intelligence professionals in the Department of Defense on how to communicate the impact of these leaks and what DoD and defense intelligence entities are doing to prevent future disclosures. Louise has also contributed to Congress's better understanding and oversight of these critical issues.

At the conclusion of her impressive career as a national security and legislative affairs professional, Louise is looking forward to spending more leisurely days with her husband Mike, their little grandson Ben, and their adult children Josh and Beth. I know Louise has been a very devoted daughter to her mother, and will now be able to see her more frequently.

And so, Mr. Speaker, I ask our colleagues to join me in honoring Ms. Louise Dreuth for her dedicated public service. Over the course of more than 26 years in legislative and public affairs positions within the federal government, she has advised many national security and intelligence professionals on how to communicate important, complex issues to Congress and the American public. She has made direct and significant contributions toward positive relations between the legislative and executive branches of our government. Louise has consistently brought great credit upon herself and every office in which she has worked. I thank her for her service and wish her all the best in her retirement.
